But the climb may consume more energy.

The journey begins at Tegal Dukuh Camp, a palm tree forestry in the middle of the plantation area. Where you will be served Balinese Coffee/Tea accompanied with Balinese rice cake called Laklak topped with grated coconut and drizzled with organic palm sugar. What an amazing asart. Then we will take you to dive into the lush green local farming area, go into the deep jungle of Alas Taro (Sacred forest of Taro Village) and meeting the local in the community are. Before we ascending to the river trail, we will explain about the Balinese compound and its unique structure. The best part of this trip is the passage on the river, the bamboo bridge, the local holy bathing place (beji) and you trip is well awarded with an 8 meters white water falls.

Along the trek, your guide will describe the subak system (irrigation system). You will be amazed by the river's size at the start of the trek, where you'll enter the hidden canyon of Taro and then walk across large stones in the river. JERO MANGKU GEDE HOUSE

JRO MANGKU GEDE HOUSE

Jero Mangku adalah sebutan untuk seseorang yang telah melaksanakan proses Dwijati (terlahir Kembali) sebagai orang suci. Seorang pemangku memiliki tugas yang sangat penting di dalam masyarakat sebagai penuntun sekaligus penghubung umat dengan Sang Pangepita. Sehingga dalam setiap pelaksanaan upacara keagamaan di Desa Taro pasti menghadirkan seorang Pemangku sebagai pemimpin upacara.

Jero Mangku Gede Ketut Telaga adalah salah satu diantaranya. Beliau melayani seluruh umat yang tangkil dan melakukan persembahyangan di Pura Agung Gunung Raung, termasuk upacara-upacara yang diselenggarakan di pura atau merajan lainnya.

Di Rumah beliau inilah terdapat 2 kamar tamu yang dapat dimanfaatkan sebagai sarana akomodasi. Pada awalnya, kedua kamar ini dihuni oleh keluarga. Tetapi karena ada banyak pemedek (penangkilan) dari luar pulau Bali maupun dari Bali sendiri yang ingin bermalam di Desa Taro saat mereka melakukan persembahyangan di Pura Agung Gunung Raung, maka kamar tersebut dijadikan sebagai Guest House.

Rumah Jero Mangku Gede House menggunakan konsep Rumah Tradisional Bali yang dipadukan dengan unsur Classic dengan corak Majapahit. Penataan Kebun yang sangat rapi namun simple, membuat suasana rumah menjadi rindang, mungil namun tetap memiliki kesan royal.
